

CROSS REFERENCE LIST
P SERIES TO PLANT SERIES

1. GENERAL

1.01 This addendum provides a cross reference list of practices in the "P" series in addition to those listed in 000-020-012 which were formerly used in the Washington-Idaho area.

1.02 Any practice not listed has been cancelled.

1.03 Where a reference is made to other than Plant series, consult the latest cross reference for that series of practices. (i.e., the cross reference list for "E" series practices to Plant Series.)
